## **Purpose of Student Handbook**

This handbook is designed to introduce students more fully to the expectations of the Summer Portals program, to prepare them for their time at Hotchkiss, and to guide them throughout their stay on campus. This resource should answer many of the everyday questions that arise before and during the Program. It should also make students aware of additional resources to handle questions or concerns not addressed by this Handbook.

## **Core Values**

Honesty, passion, and humility are the core values that Hotchkiss Summer Portals seeks in its applicants and nurtures in every facet of the summer session. Faculty, Fellows, and Portals Administrators believe in and model these qualities and expect students to embrace and practice these values in the classroom, in afternoon activities, in the dormitories, and in all aspects of their lives at Portals.

## **Communication with Students**

Phones are available in all dorm rooms. While calls may be received, callers should know that students are often away from the dormitory. It may, therefore, be easier for students to call family and friends. Students may make local calls from their own room. Long distance calls must be made by using a calling card or by calling collect.

Parents and guardians may call the Summer Portals Office at 860-435-3173 to get a message to their daughter or son, in the case of a daytime emergency, or if they have questions or concerns. If an emergency should arise after normal business hours (i.e., between 4:30pm and 8am), parents and guardians should call Christie Rawlings, Director of Residential Life, at the school's main line: (860) 435-2591.

## **Health**

**Hotchkiss Summer Portals Program requires health insurance for all students. Students are required to show proof of insurance coverage prior to their arrival on campus. Unless International Students can prove that they have coverage by a US-based insurance carrier, they will be expected to purchase the health insurance offered by the Portals Program.**

The Wieler Health Center is open to students to handle routine illnesses and injuries. Any student feeling unwell in the morning should notify a Resident Teaching Fellow and go to the Health Center to see the nurse on duty to be excused from classes. Any student with a serious illness or injury will be transported for care to nearby Sharon Hospital.

Prescriptions or over-the-counter medications must be dispensed by Health Center personnel unless specific arrangements are approved by the Medical Director. Parents and guardians are asked to notify the nursing staff of all prescription medications that students plan to bring to the summer session.

## **Travel**

Details can be found on the [Summer Portals Travel Information](#) page.

**Please submit the completed student travel information card along with the flight itinerary to the Portals office as soon the student's travel plans are confirmed.**

## **Packing List**

The items that each student chooses to bring to the summer session vary. The following list is intended only as a guide and does not represent an exhaustive list of items to pack.

## Packing List

CLOTHING	OTHER
Dress shirts	Alarm clock
Dress shoes	Backpack
Dresses/skirts	Camera
Jeans/pants*	Fan
Pajamas	Water bottle
Polo shirts	Laundry detergent
Rain jacket	Phone card
Sandals	School supplies
Shorts	Sunblock
Slacks**	Sunglasses
Sweaters	Swimwear
Undergarments	Hat
Hiking boots/comfortable walking shoes*	Toiletries
	Linens, pillow, bedding***
	Towels***

\*Environmental Science students will wear long pants and socks in the woods and on hikes – which begin on the first day of classes. They will also need either hiking boots or comfortable walking shoes. The hiking shoes must enclose and protect the whole foot and will need to be worn with long socks. Please bring more than one pair of long pants, pale in color. Clothes should be loose and cool as some days are humid. Tops should have long sleeves and be pale in color. Please bring a rain shell/jacket that can be rolled in their pack and carried every day. Please include a sun hat and good sun block. We provide insect repellent.

\*\* Summer Performance attire: pianists are expected to bring appropriate dress shoes, coat and tie or mid to tea-length dresses. Formal attire is not required.

\*\*\*If you are unable to bring bed linens, pillow, and towels, please contact the Summer Portals office via email ([summer@hotchkiss.org](mailto:summer@hotchkiss.org)) and request for a rental set.

## Money

Internal school purchases are made through the Hotchkiss School One Card System. The system is a multipurpose debit card that covers most areas of incidental and personal spending at the School. Cash or checks will continue to be accepted, but we strongly advise that students use the debit card. While the amount of money each student needs will vary, students should bring adequate funds to cover any school supplies needed, optional excursions, snacks, laundry, and any other personal expenses. Deposits can be made to the Student Account by check or with a Visa, MasterCard or Amex via the Web; directions can be found on the Portals Parents web page under the Student Bank tab. The Web deposit option applies only to the debit account. Upon arrival students are encouraged to bring passports, and similar valuables to the Summer Portals office for safekeeping.

## Excursions

Over the course of the summer session, there are a variety of optional excursions for students. If a student chooses to take part in these activities, there may be expenses involved that are not covered by Summer Program tuition. Every attempt will be made to keep these expenses to a minimum. Tuition covers such items as bus transportation and admission to planned activities. Students may also wish to take personal spending money on these trips.

### **Guest Speakers**

Over the course of the summer session, a variety of artists, authors, poets, playwrights, environmental scientists, and distinguished guests will come to campus. Events normally take place in the evening, although occasionally a guest speaker or performer may be in residence over a weekend. Program specific attendance may be required for students. Members of the Portals community are invited to attend performances and guest speakers; invitations are announced at morning meeting.

### **Weekends**

While each weekend offers structured events, weekends also provide students with ample free time to relax, spend time with friends, write letters, keep a journal, go to town, or study. Faculty and Fellows provide a variety of excursions and optional Saturday evening activities.

### **Worship Services**

Transportation to Friday and Saturday evening and Sunday morning worship services is available for interested students. A listing of churches, mosques, and synagogues is provided under Off-campus Resources of this handbook.

## **COURSE INFORMATION**

### **Attendance**

Students must attend all classes and other Program functions. Students absent without a valid excuse place their future in the Summer Portals program in jeopardy.

### **Homework**

Homework is assigned daily. Students are expected to come to class prepared each day and to complete all assignments in a timely manner. The amount of time required per assignment may vary.

### **Assessments**

Teachers explain their assessment criteria on the first day of class. Assessments will be based on frequent evaluation of work. Course assessments include both achievement and effort. At the close of the Program, narrative comments are prepared by Faculty and Fellows and sent home to parents.

### **Afternoon Activities**

From 3:30pm to 5:00pm each day, students are required to participate in one of the many types of afternoon activities offered. Physical activity is encouraged as a way to relax, enjoy the outdoors, and clear the mind of academic concerns. Afternoon activities are supervised by the Resident Teaching Fellows and the Director of Residential Life.

### **Evening Activities**

Students and Resident Teaching Fellows will spend most evenings in the dorm. Study hours run from 7:30pm – 9:00pm Sundays through Thursdays. During study hours, students should complete their assigned homework or attend required program events. Since other students may still be studying, activity must not disturb study conditions. Resident Teaching Fellows are on duty during study hours to support students and maintain quiet in the dorm. Resident Teaching Fellows are also on duty in the Main Building during the evenings.

## **RESIDENTIAL LIFE**

Students spend a great deal of time in the dormitory over the course of the Program. They get to know others on their corridor and treat the dorm as a comfortable place to study, relax, and socialize. Resident Teaching Fellows live on each corridor, and are available to answer questions and address concerns, as well as to enforce dormitory and Summer Portals rules.

### **Dormitory Facilities**

Each dorm room is supplied with a bed, mattress, bureau, armchair, desk, desk chair, phone and a lamp. Each room has a closet. Washing machines and dryers (coins or student One Card) are available for student use in most buildings.

A Common Room is available in each dorm for students' use. Vending machines, a television, a microwave oven, and living room area are located in the Common Rooms. The Common Room is appropriate for social interactions during specific posted hours.

### **Dormitory Guidelines**

Students have certain responsibilities in the dormitories. The most basic responsibilities are to keep their rooms tidy, to be on time for check-in each night, and to turn out their lights promptly. Of course, all Summer Portals policies and procedures apply in the dormitories. Students should be especially aware not to keep any incendiary devices or open flames, such as candles or incense, in their rooms. Students should also observe the following guidelines:

- Visiting in the dormitory room of a member of the opposite sex is not permitted.
- Students should not enter another student's room in her or his absence.
- Rooms should be locked whenever a student leaves the room. However, no room should be locked when a student is in the room.
- Students may not remove window screens or climb onto roofs or balconies.
- Students should not bring their own furniture.
- Dormitory rooms are not appropriate places for the preparation or storage of perishable foods.
- The use of thumbtacks and transparent tape on room walls is not permitted.

### **Fire**

The primary cause of dormitory fires is overloaded or faulty electrical circuits and wiring. Therefore, as a safety precaution only heavy-duty extension cords are allowed in the dormitories. Further, the following equipment is not permitted: halogen lamps, television sets, VCRs, refrigerators, irons, and any cooking devices (including, but not limited to, electric frying pans, heating coils, hot plates, microwaves, stoves, toasters, and toaster ovens). Blankets or nets used as ceiling or wall hangings can also be a fire hazard and should not be hung in student rooms.

#### **In case of fire in the dormitory:**

1. Sound the alarm immediately.
2. If time permits, close all windows in the rooms. Take a blanket or coat and shoes. **Do not try to save personal belongings.**
3. Leave the building quietly and quickly by the nearest available exit. (Each dormitory has evacuation routes posted. Doors to rooms should be left shut and unlocked.)
4. Assemble outside the building at prearranged areas determined by the dormitory faculty so that a roll call can be taken.
5. Faculty and Fellows will check all rooms to make certain everyone has left the building.

Regular fire drills will be conducted throughout the summer.

## **Faculty Resources**

The people listed at the end of the Handbook are also of the utmost importance to students during the summer session. Administrators, faculty, and Resident Teaching Fellows are always available to help students with any aspect of Program life.

### **Advisors**

Resident Teaching Fellows serve as that student advisors. Advisors are available to support any student who is experiencing difficulties of a personal or academic nature. Students are encouraged to seek out advisors with questions or concerns. Confidentiality is strictly maintained between advisors and students except in situations that jeopardize the health of an individual, of others, or of the Program. Advisors send home narrative reports on each of their advisees at the close of the Summer Portals Program.

### **Dormitory Faculty and Fellows**

Anytime students need adult assistance in the dormitory, Portals Faculty and Fellows are the people to whom they should turn. Often, a student's advisor is the first person to go to with questions or concerns. In the case of an emergency in the dorm, students should immediately contact the Resident Teaching Fellow.

### **Summer Portals Administrators**

The Dean of Summer Programs, Program Directors, the Residential Life Director, and the Summer Portals Coordinator can help students with many issues as well. Questions concerning student course evaluations, sharing the comment report to a student's school, and evening and weekend activities should be directed to the Summer Programs Office. Students requesting permission to be absent from school need to come to the Portals office and parents can email details to the Portals Director of Residential Life.

## **SUMMER PORTALS POLICIES AND PROCEDURES**

### **Major Program Rules and Regulations**

The rules and regulations outlined below apply to Hotchkiss Summer Portals students at all times. If a student is present when a rule is violated and does not absent herself or himself, that student may be held responsible and share equally in any disciplinary response. Violations of program rules are handled, in the first instance, by the Residential Life Director.

#### **A student will be dismissed if found in violation of any of the following rules:**

- **Honesty:** Dishonesty is a betrayal of trust and is unacceptable in any form, be it through lying, stealing, cheating or plagiarizing.
- **Alcohol:** Possession or consumption of alcoholic beverages by any student is forbidden.
- **Drugs:** Possession or use of drugs, chemical substances, or drug paraphernalia by any student is forbidden, except as specifically prescribed to that student by a physician and left with the Health Center Staff.

#### **A student will be liable for dismissal if caught in the act of any of the following:**

- **Showing Disrespect for Others:** Students who encroach upon the personal rights of others, whether in the form of hazing, bullying, or baiting, will be subject to disciplinary action.
- **Possessing or Using Firearms, Illicit Knives, Incendiary Materials, Fireworks, and/or Other Explosives or Weapons**
- **Stealing:** Outright stealing, the deliberate act of taking for one's own use or possession something that belongs to another, should not need any clarification. Borrowing another's personal property without permission is also forbidden.

- **Smoking or Using Tobacco**
- **Committing Any Offense that Breaks a State or Federal Law**
- **Being Outside the Campus Bounds:** Boundaries are defined as follows:  
Between 6:30am and 7:15pm bounds are the Township of Salisbury, i.e.  
on the south, the Sharon town line  
on the west, the New York state line  
on the north, the Massachusetts state line  
on the east, the Housatonic River

The only exception to the Township of Salisbury is the Village of Millerton. From 7:15pm to 6:30am bounds are defined by that portion of the campus bordered by Route 41 and Route 112 and the far sides of the 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup> fairways of the School golf course. To be absent from bounds for any reason, students must first obtain permission from the Portals Director of Residential Life. Whenever students leave campus, except on school-sponsored trips, they must sign out from their dormitory corridors and inform the Resident Teaching Fellow. Parental permission must be given for students to accompany anyone outside the immediate family on an off campus excursion.

- **Violating Curfew:** All students are expected to be on their corridors for check-in at 9:30pm each night except Saturday, when check-in is at 10:00pm. Students are not permitted out of the dormitory after check-in or before 6:30am without special permission. All dormitories are locked after curfew, and under no circumstances should doors be opened to admit anyone to the building.
- **Violating the Unexcused Absence Policy:** Students must attend all classes and other Program functions. Students absent without a valid excuse place their future in the Summer Portals Program in jeopardy.
- **Compromising the Good Name of the Summer Portals Program through Misconduct of any kind:** Members of the Hotchkiss Summer Portals program expect students to behave in a respectable manner whether on or off school grounds, recognizing that their behavior reflects on the Program.
- **Unauthorized Possession or Use of School Master Keys**
- **Possessing or Improperly Using Automobiles:** Without specific permission from the Portals Director of Residential Life, no student may have an automobile at the Program. Students may drive a car only when accompanied by a parent or legal guardian. No student may ride in a car whose driver is under 25, unless the driver is a member of the immediate family, a Portals Faculty member or Resident Teaching Fellow, or a Faculty member or Fellow's spouse. Parental permission must be given for students to accompany anyone outside the immediate family on an off campus excursion.
- **Open Flame:** Students should realize that they share responsibility for fire safety around campus and particularly in the dormitories. The presence of materials capable of starting a fire in the dormitories seriously endangers the lives and property of others. Materials and objects that a student may not possess include, but are not limited to, propane, firecrackers, fireworks, lighters, lighter fluid, matches, candles, heaters, cooking devices, incense, and cigarettes/cigars/pipes.

### **Clothing**

In the classroom and for most meals, informal but clean dress is appropriate. Shorts, slacks, tennis shirts, polo shirts, and sandals are appropriate at any time. Some clothing suitable for concerts, trips, religious services, and other more formal occasions is needed - appropriate dress shoes, dress shirt and tie or mid to tea-length dresses. All students should also bring swimming and athletic gear including athletic shoes.

## **Computers**

There is limited cell and WiFi service in the Lakeville area and dormitory rooms. Computers for student use are available in academic buildings during the day, **students are discouraged from bringing computers to the Portals program.**

There is no separate set of rules governing the use of computers. Violations will be handled in accordance with appropriate Program rules covering plagiarism, stealing, harassment, and vandalism. Since the network is a shared resource, responsible use of bandwidth is essential. Accessing or downloading offensive or sexually explicit material is prohibited. Use of the School's network resources for financial profit is also prohibited.

## **Harassment Policy**

The Hotchkiss Summer Portals Program seek to establish a community in which every individual is treated with sensitivity and respect. The Program will not tolerate harassment of individuals because of ethnic or religious background, gender, race, or sexual orientation.

## **Lightning**

For the safety of everyone, The Hotchkiss Summer Portals policy dictates that students must immediately go indoors when a thunderstorm is imminent.

## **Swimming**

Students may swim in Lake Wononscopomuc, but only at the Hotchkiss swimming area and only when an approved lifeguard is officially on duty. At other times and in other places, swimming is not permitted. When swimming, students must observe the following rules:

- The lifeguard is the ultimate authority on the waterfront.
- Disregard of requests by the lifeguard or of the swimming area rules will result in the student's being reported to the Director or Residential Life.
- Swimming is confined to the area marked by the large buoys.
- No diving off the "big rock".
- No horseplay on the raft.
- The floats to the left of the Hotchkiss beach are the private property of the Interlaken Inn and should not be used by the Hotchkiss community.
- Portals students are not permitted in any recreational boats or water crafts.

## **SCHOOL FACILITIES**

Students are expected to respect School facilities and to use facilities and equipment properly and for their intended purposes.

### **Mars Athletic Center**

The Mars Athletic Center is located across Route 41 adjacent to the second fairway of the golf course. It is open every weekday afternoon for sports, and in the evenings and on weekends for use by students, Faculty, and Fellows when staffing can be arranged. The pool may not be used except when a lifeguard is on duty. All other facilities may be used only during specified hours.

### **Student Bank**

Located next to the Post Office in the east wing on the lower level of the Main Building, the Student Bank is open from Monday through Friday. During these hours, students may deposit and withdraw funds and cash personal checks.

## **Campus Store**

The Campus Store, located downstairs in the Main Building across from the Post Office, is open Monday through Friday. Students can purchase their books and school supplies here. Hotchkiss clothing, memorabilia, and toiletry items are also available. One Card, Cash, personal checks, or credit cards (Visa or Mastercard) may be used for purchases.

## **Dining Hall**

The Dining Hall, located in the Main Building, provides students cafeteria-style service for all meals. All Students, Faculty, and Fellows may eat in the Dining Hall. The Hotchkiss Dining Service, Sodexo, offers a variety of food, including hot entrees and beverages at each meal. At lunch and dinner, a salad bar, soup and pasta stations, and dessert bar are available. At all meals vegetarians can find healthy food compatible with their diets.

Meals are served according to the following schedule:

Monday through Saturday:

Breakfast: 7:30am – 8:00am

Lunch: 12:15pm – 1:00pm

Dinner: 5:45pm – 6:30pm

Sunday:

Brunch: 9:30am – 11:00am

Dinner: 5:15pm – 6:15pm

Students need to be considerate of Dining Hall staff and others and abide by the following guidelines:

- Students should not waste food, taking only what they expect to eat. Seconds are available if they would like more.
- Remember that others have a right to enjoy their meals in peace and quiet.
- Students should take all dishes to the dish room before leaving the Dining Hall. If a student spills something and cannot clean it up, she/he should report the fact to a member of the dining hall staff.
- Food, china, glasses, or silverware may not be taken out of the Dining Hall.
- Hats may not be worn in the Dining Hall at meal times.

## **Wieler Health Center**

The Health Center is open and available to students. It is located in the basement of Wieler Dormitory. Nurses will staff the Health Center and are available for the care and well-being of Summer Portals students. Regular clinic hours are held weekday mornings Monday through Friday from 7:30am – 6:30pm and are on call throughout the night in case of an emergency. The Portals physician is on 24-hour call for emergencies. If necessary, students may be admitted to the Health Center for short-term observation during the day. They may also be referred to medical and surgical specialists at Sharon Hospital.

## **Edsel Ford Memorial Library**

The Library, located in the Main Building near the Dining Hall, is open during designated hours through the day and evening. The Library provides an intellectually stimulating atmosphere for students, Faculty, Fellows, staff, and members of the surrounding communities. There are ample study carrels, lounge chairs, tables, and group study rooms, as well as a large group viewing room for 25 and a small viewing lounge for six or more. The Library collection includes books, audiocassettes, videocassettes, and DVDs. The Library also offers access to a wide variety of online reference resources. Students are expected to abide by the following guidelines:

- Students are asked at all times to be considerate of others in the Library.
- Talking softly is permitted on the first floor and in group-study rooms; quiet is expected everywhere else.
- Browsing materials, including magazines and newspapers, should be returned to their proper locations for the convenience of the next user.

To support the research needs of Summer Portals, in addition to its permanent collection, the library offers faculty and students access to its extensive collection of databases. To access the databases, go to the library homepage (<http://library.hotchkiss.org>) and click on “Online Database Resources.”

### **Post Office**

The campus Post Office is capable of addressing all routine needs during the summer session. It is located on the lower level of the Main Building, and is open Monday through Friday.

All mail should be sent to:

Summer Portals Program  
The Hotchkiss School  
11 Interlaken Road  
Lakeville, CT 06039

### **Security**

Located in the Coy Hall Business Office, the Security Office provides comprehensive service to insure the safety and well-being of the Hotchkiss Portals community. The campus is patrolled 24 hours a day, 7 days a week. Security responds to all emergencies on campus and investigates all safety concerns from students, Faculty, Fellows, and Staff. Security personnel cover the switchboard 24 hours a day. Security can be reached from any of the dorm phones by dialing "0" during the times listed above or by dialing 0 at any time. Anyone calling from outside Hotchkiss or on a cell phone should dial (860) 435-2591. For life-threatening emergencies, call 911.

### **Frantz Student Center**

The Frantz Student Center is located in the east wing of the first floor of the Main Building. It is equipped with a ping pong table, television, and leather sofas and chairs. It provides an excellent place for students to relax and get to know each other.
